EXPERIENCE

Freelance Designer

Sep 2020-Present

Collaborated with clients to grasp their design needs and advised on design approaches.

- Created clean, user-friendly mockups and interactive prototypes by using Adobe tools, Invision, and Figma. Worked with clients including Euro M Tech.

Young & Hungry Creative - Marketing/Graphic Design Intern

Sep 2021-Dec 2021

Collaborated with our client, Blue Endeavor, to develop an online and offline marketing strategy. Designed graphics and marketing materials to increase brand outreach, including ads and merchandise.

Westwood Post Acute - Patient Wellness Researcher

Jan 2020-Aug 2020

Conducted research to enhance patient care and safety, performing in-depth data analysis and engaging in user interviews. Successfully reduced fall rates by 30% within a month through the implementation of strategic improvements.

PROJECTS

GuideU (Travel) - UI/UX Design, User Research

Sep 2021-Dec 2021

An iOS mobile app that connects travelers with a local tour guide. Responsible for interviewing target users and crafting user personas. Created wireframes and rapidly prototyped a high-fidelity mobile design.

Carsmartt (Transportation) - UI/UX Design, User Research

Sep 2020-Dec 2020

An iOS mobile app that helps users find an affordable ride. Led the mobile app redesign. Conducted user research and ran usability testing to understand user's needs.
